

ASPS Endorsement Application

The American Society of Plastic Surgeons reserves the right to endorse those meetings which most closely align with the goals of our society. Endorsement carries no designation of *AMA PRA Category 1 Credit*[™] nor is ASPS responsible for oversight or meeting management of endorsed meetings. It is an acknowledgment of the integrity and quality of the educational activity alone. The ASPS logo must appear on the activities promotional material as an endorsing organization.

ASPS will provide Standard Endorsement activities, as indicated on this application form under the section, ASPS ENDORSEMENT FEES & TIER STRUCTURE OPTIONS.

Endorsement applications must be received a minimum of <u>5 months</u> prior to meeting date. ASPS requires a minimum of 8 weeks from date of application receipt for review, approval and subsequent placement in online calendar. Placement in PSN and PRS calendars will be made pursuant to approval and according to next publication within standing print schedule. Any application requiring a shortened review period, less than 8 weeks, will be subject to expedited review pricing. No applications will be accepted for endorsement less than 4 weeks from start of program.

- The endorsement is being sought by an organization that is widely acknowledged as a reputable, bona fide medical educator, and the program is relevant to plastic surgeons.
- The program is either already CME-accredited by another organization, or not CME accredited at all (or the equivalent for international programs). *Note: ASPS has the option of either endorsing or accrediting a program, but it cannot do both for a program.
- The program, for which an endorsement is sought, demonstrates compliance with ACCME guidelines for programs offered for AMA PRA Category I Credit[™]. (or the international equivalent)
- The organization seeking endorsement provides remuneration upon application, where possible and appropriate.
- The organization will provide ASPS with exhibit space at no charge when exhibits are being hosted.
- The organization seeking endorsement agrees to follow ASPS guidelines for publicizing its endorsement, including proper use of ASPS's name and its Symbol of Excellence and avoids any suggestion that ASPS is a sponsor of the meeting.
- 30-60 days after the close of the activity, the organization will provide ASPS with a copy of their evaluation summary report including all comments.
